

T54 - COVID Protocols – Effective Aug & Sep'21

Overall Approach

- **Phased Approach Based on Conditions & Guidance from Authorities**
 - **Red**: Lock Downs Ordered = All activities virtual
 - **Yellow**: Precautions Warranted = Gatherings allowed with mitigations
 - **Green**: All Clear = Pre-COVID conditions returned

Current Phase

- **All T54 participants, regardless of vaccination status, return to: Phase Yellow**
 - Troop 54 protocols resume similar to last school year:
 - Parents drive scouts to/from weekend campout drop-off
 - Patrols / cohorts remain apart; everyone tents individually
 - Personal Hygiene; check-in & daily Wellness Checks emphasized
 - Participants choose to prepare own meals, or eat as patrol per meal guidelines
 - **In-Person meetings of any size allowed; with masks and distancing required for all**
 - Meeting outside preferred, but inside okay. If possible, provide hybrid option so folks can dial-in too

Note: Change vs 2020 – 2021 School year
